

A terminal window titled "noted — 127x38" with a light gray title bar. The window contains a dark gray terminal area with white text. The prompt is "~/Projects/noted |dry-run x|". The command entered is "→ yarn run build && aws s3 cp build/ s3://mysuperfunwebsite.com/ --recursive". The cursor is at the end of the command.

```
~/Projects/noted |dry-run x|  
→ yarn run build && aws s3 cp build/ s3://mysuperfunwebsite.com/ --recursive
```

```
